Kia Soul Owners Manuals. This owners manual is of Kia Soul that is a city vehicle manufactured in Kia factory in South Korea and marketed globally beginning with model year 2010. It competes with cars like the Scion xB and Nissan Cube. I need to change a front wheel bearing on my 2005 Kia Spectra. Does anyone know where I can find step by step info on this? I am finding all kinds of different opinions. Check your owners manual for battery replacement and how to reset the car alarm. If you don't have a owners manual re ask your question and say that you need a owners manual to help turn the alarm off and I'll look for one tomorrow.
