In an emergency: In a storm, when the cable or satellite goes out, (if you don't have a TV set with a digital tuner) you won't be able to hook up your rabbit ears to your analog TV set to get local weather and news without a converter box. If you lose power, a portable digital TV is a great choice. Old portable TVs without digital tuners won't work. A digital to analog converter box will not give you a digital picture on an analog TV set. Analog TV sets using the set top boxes will show digital broadcasts, but not in the full picture quality of digital TV. However, your picture will be better than it was with the old analog signal. Codes For Universal Remotes has the remote codes you need to control ALL your devices and components. You will be able to find your TV, DVD, Blu-Ray Player, Receiver, SAT BOX, Cable BOX, VCR, Combo players, Media BOX, and Surround sound component codes all in one place.
