Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. The Mini is a small economy car produced by the English-based British Motor Corporation (BMC) and its successors from 1959 until 2000. The original is considered an icon of 1960s British popular culture. Its space-saving transverse engine, front-wheel drive layout – allowing 80% of the area of the car's floorpan to be used for passengers and luggage – influenced a generation of car makers. Previous version (W 194) in Racing. The 300 SL (also called W 198) goes back to the racing sports car, Mercedes-Benz W194, which had already had the name "300 SL". In 1951, Daimler-Benz had decided to take part in races again in 1952 and to build a sports car for this purpose. The Alfa Romeo Montreal Website.
