An electronic book, also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent. E-books can be read on dedicated e-reader devices ...This edition of New York Times bestselling and Newbery Medal-winning author Neil Gaiman's modern classic, *Coraline*—also an Academy Award-nominated film—is enriched with a foreword from the author, a reader's guide, and more.. When Coraline steps through a door to find another house strangely similar to her own (only better), things seem marvelous.
