

Download Inflight Service Manual

Registering in a course conducted online by the Inflight Institute and by accessing the Inflight Institute web site, you agree, without limitation or qualification, to be bound by these terms and conditions and such other additional or alternative terms, conditions, rules and policies which are displayed or to which you may be directed in connection with Inflight Institute, as all of the same ...OUR CONTRACT. Review our policies and work rules. Become familiar with our CBA. Flight Attendant Policy Manual Leidos is proud to announce our new capability for inflight electronic PIREP submissions. We've recently partnered with equipment manufacturers and service providers to give pilots a simple way to prepare and send PIREPS from their cockpit device without having to change frequencies or contact Leidos Flight Service. Getting started with the Inflight Institute is easy! Once you fill out our forms, you will be asked to choose the course you want to take and how you'd like to pay for it.
