

Download Interpersonal Skills For The People Professions Learning From Practice

Interpersonal Skills for the People Professions fosters understanding of the work of the people professionals through an exploration of the interpersonal skills that are employed when working with people in nursing, social care, welfare, education, mental health, midwifery, policing and general practice. For someone new to the people professions, this book offers a valuable insight into the skills vital for effective communication. The 'real stories' offered in the case studies make for interesting reading and the language used throughout is easily understandable without slipping into the jargon of the professions. Overview. Interpersonal Skills for the People Professions fosters understanding of the work of the people professionals through an exploration of the interpersonal skills that are employed when working with people in nursing, social care, welfare, education, mental health, midwifery, policing and general practice.
