

Download Light Gauge Steel Design Manual

Activar Construction Products Group offers a wide range of building products including fire extinguisher cabinets, access panels, corner guards, door accessories & hardware, entrance floor mats and gratings and roof accessories for the commercial construction industry. Semi-finished billets, blooms, beam blanks and slabs from the continuous casting process are transformed into a variety of construction products by various processes of heating and mechanical working. The resulting products are either used directly in fabrication of steel components, that are subsequently assembled into structures on site, or made into further products for use in construction. Dietrich Industries - 3-5/8 in. x 8 ft. Steel Stud 25 Gauge Equivalent - Ecologically friendly. 100 percent recyclable. Easy to Install. Light weight. Mold and mildew proof.
