Jiangsu Linhai Power Machinery Corporation, formerly known as Linhai, is a Chinese company founded in 1956 which describes itself as the oldest small engine manufacturer in the country. At this time, the company has no less than 1600 employees, its factories being able to design and roll ...I recently was given a linhai aeolus 150 scooter. Problem is there is absolutely no manual for it. It has a flat and I have no way of knowing how to get the wheel off or anything else. Does anyone know where I can get a owners manual, service manual or anything on how to do maintenance on this. Thanks. ottersea@yahoo.com
