Steve Sharp has created an excellent book to guide any college student to master the thesis statement. He uses metaphors and explains why on earth this tricky concept is needed. I understand better now how to make a thesis than when I went googling for advice. Author Steve Sharp tells his students that the thesis statement is the sun around which EVERYTHING in their paper orbits. Every sentence must fall within its gravitational pull and obey rational orbital laws. Otherwise chaos ensues. If you really want to succeed in the academic world, you simply can ...
