

Download Physics By James Walker Study Guide

Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback. Walker's not that bad. There's homework but all the answers are in the back of the book and he always goes over the problems in class. He lets you have notes for the exams, but not all the material he lectures on is in them so make sure to prepare for all topics. This site is intended as a resource for university students in the mathematical sciences. Books are recommended on the basis of readability and other pedagogical value. Topics range from number theory to relativity to how to study calculus. UT Dallas CourseBook is an advanced tool for obtaining information about classes at The University of Texas at Dallas (UTD).
