

Download Practice Staar Modified

STAAR Modified was an alternate assessment based on modified academic achievement standards. The state intended for this assessment for a small number of students receiving special education services who met the participation requirements. The state administered the STAAR Modified assessments for the final time. STAAR A is a specialized online test that allows students with disabilities to sit for their tests online. STAAR Alternate 2 is designed for children with cognitive disabilities in special education programs. STAAR L is a modified for English language learners whose test questions are simplified to make it easier for candidates to read. STAAR A Released Test Forms and Answer Keys (Online Administrations) Released test forms that were administered online are released as practice tests. These released practice tests are available through the STAAR Online Testing Platform. The online practice tests are not available for printing or scoring.
