SOP, or standard operating procedure, is a detailed, written instruction to achieve uniformity of the performance and appearance of a specific function. In the military the SOP is supposed to be a reference for soldiers to consult whenever they have doubts about their knowledge on the proper way to complete an action. The New York City Subway is a rapid transit system that serves four of the five boroughs of New York City, New York: the Bronx, Brooklyn, Manhattan, and Queens. Its operator is the New York City Transit Authority (NYCTA), which is controlled by the Metropolitan Transportation Authority (MTA) of New York. In 2016, an average of 5.66 million passengers used the system daily, making it the busiest ...
