Unit B1 Prime Park, Mocke Rd, Elfindale, Cape Town, 7945 +27 (86) 166 7242How to Tile a Shower Like a Pro is a proven 8 step system that will help you tile a shower in one weekend with tips from a Certified Tile Installer. Most tiled floors feature tiles that are installed square with the room. While this often looks neat and clean, it can make small spaces look even tinier, and this style doesn't add much visual intrigue. If you want to take your floor to the next level, however, try installing tile diagonally. Not ... Few building materials match the beauty of a natural stone floor. With its no-two-pieces-look-alike character and durability, stone flooring has been a favorite of homeowners for millennia. Stone flooring tiles come in many shapes and sizes, from 4x2-foot rectangles to 1-inch-square mosaics. In ...
